1. TRANSITION PERIOD FOR THE INTRODUCTION OF THE NEW SCHOOL UNIFORM

The new uniform will enter into effect from September 2022. The old uniform can be used during the transition period until June 2024.

3. COMBINATION OF GARMENTS

For the first time we offer a variety of garments within the uniform. Polo shirts and trousers are available in two different colours which can be combined to suit each student's taste.

2. NEW ARTICLES OF CLOTHING

In the new collection we have introduced a Liceo Sorolla swimwear and a coat. The swimwear will be mandatory for all students who do school swimming classes (1st grade primary to 2nd Grade Secondary). The coat will be mandatory for 1st to 4th grade secondary.

4. REGULATIONS

The younger students, from Infants to and including 4th grade primary will only wear the sports uniform.

From 5th grade primary onwards they will have two types of uniform: urban and sports. The urban uniform will be the official uniform to be worn throughout the school day, whilst the sports uniform will only be worn during physical education class.

With regards to footwear, blue or black shoes shall be worn with the urban uniform.

5. PURCHASING PROCESS

The uniform will be available for purchase through the school website, in the “parents section”. Each family should create a profile in the online shop, where they can select the garments for each child.

Once they have made the payment, they can collect their order at school within 24-72 hours. Students can also collect the order if the family specifies this preference. In the month of September students will be informed of the timetable for collecting the uniforms.

6. WHEN TO BUY THE SCHOOL UNIFORM

The online shop will be launched on September 3rd. Until then families can buy the uniform in person at school during the period from 22nd August to 2nd September in the School Sports Hall.

A shop will be set up with changing rooms, so that families can see and buy the uniform. In the adjacent table you can see the calendar for different age groups, dates and times.
